CITY NEWS.

WANTED.—Two apprentices to the printing business. Those who have some knowledge of type setting only need apply. Inquire at the clerk's desk or to the foreman in the news room.

Small Cylinder Hoe Printing Press for Sale.

The Democrat is printed upon a double-cylinder Hoe press; and a single-cylinder press, formerly used by us, is offered for sale. It is of the largest sized plate, and in perfect order, and will be sold at a bargain. Address publisher Democrat for particulars.

SHOCKING TRAGEDY.—A WOMAN KILLED BY A SOLDIER.—So long as soldiers are permitted to stroll about the city, visiting all the lowest and most vicious resorts, and becoming drunk from the effects of potent liquor sold at such places, so long the public will continue to hear of outrages upon citizens, of robbery and plunder, of assaults upon private homes, and finally, of those tragedies which are almost sure to follow where soldiers are allowed unrestricted privileges which other men would not be permitted to enjoy.

On yesterday morning at half past nine o'clock a difficulty occurred at a low den in McAllister's alley, between Sixth and Seventh streets, and Walnut and Chestnut streets, in which a member of the One Hundred and Twentieth Indiana came the part of an assassin, and inflicted injuries upon the person of Ellen Garvey, a woman forty-three years of age, which caused her instant death. The coroner yesterday morning held an inquest upon the body. Four witnesses: C. Hays, John Garvey, Dora Harris and Mary Jane McCord were examined before the coroner's jury who testified in substance as follows: On Wednesday night the soldier, whose name was John Welch, went to the house where the deceased lived, and being under the influence of liquor, commenced a wholesale abuse of house for some fancied insult. John Garvey, the husband of the deceased, interfered and Welch left the house. Yesterday morning Welch returned to the house and again, this time without provocation, commenced abusing John Garvey, who ordered him to leave. Welch drew his pistol, one of Sharp's patent four shooters, and threatened to shoot Garvey if he interfered. Garvey picked up an ax and threatened to use it upon the soldier, who fired at Garvey, the ball missing his aim. The deceased then came out, pushed her husband into the house, and taking up a brick, threatened to hit Welch if he did not leave the premises. Welch then fired at the deceased, inflicting a wound from which the deceased expired in a few moments. Welch was arrested by officers Joel Lamborne and Thomas Antle and lodged in jail. The accused will probably have a preliminary examination before Judge Johnston this morning.

The following is the coroner's inquest, with the verdict of the jury:

INQUEST NO. 101.—Held on the morning of the 24th inst., in McAllister's alley, upon the body of Ellen Garvey, aged 43 years. Verdict.—"The deceased came to her death about half past 9 o'clock on the morning of the 24th, at the place above named, by a pistol shot wound in the right breast, inflicted by John Welch, a member of the One Hundred and Twentieth Indiana."

ARRESTED FOR STEALING A HORSE AND WAGON.—Yesterday evening officers Joel Lamborne and Thomas Antle arrested three men, Fred Hendreese, Jno. Gallagher and Andrew Kinnup, upon the charge of stealing a horse and wagon. The horse and wagon belonged to Mrs. Garr, who resides some five miles in the country. Mrs. Garr had hitched the horse at the corner of Fifth and Walnut streets, while she went to call on some friends, and during the time she was in the house Gallagher got into the wagon and drove off. The parties will all have a hearing before Judge Johnston this morning.

LADIES' FESTIVAL.—The ladies of the new Presbyterian church in Jeffersonville will give a festival in their church this (Friday) evening, to raise funds to purchase an organ for the church. Mr. E. A. Backner, superintendent of the Jeffersonville ferry company, has kindly consented to run the boats late enough to accommodate all who feel disposed to assist our friends on the river in this laudable enterprise. We hope our citizens who sympathize with this object will make a good turn out. The boats will leave Jeffersonville at eleven o'clock this evening on their last trip.

LIQUOR SALOONS CLOSED.—The provost guard yesterday closed the following saloons and arrested the proprietors for selling liquor to soldiers: Union Exchange, on Market street; a house on Eleventh street, between Main and Market, and a place kept by Mrs. Hart, on Fifth street, between Main and the river. The parties were released in the evening. The stock of liquors found in the house of Mrs. Hart was confiscated.

POLICE PROCEEDINGS.—Thursday, March 24, 1864.—Elizabeth Bagley, drunk and disorderly conduct, \$100 for one month.

Irving Bennett, charged with stealing money from a soldier; no witnesses appearing, he was discharged.

The City Attorney being absent, the felony cases were postponed.

The Grand Jury met Friday morning, the 25th of March.

BARRELS OF TEA.—There was but little doing at the barrels of tea. Only 154 recruits and convalescents for different points, en route to their regiments, and 50 recruits were received during the day. 157 recruits and convalescents were sent to Nashville, and 22 to Lexington. Eight recruits were sent off—four to Lexington and four to Nashville.

Major D. C. Fitch, Provost Marshal, has issued an order closing all gambling houses, and ordered the proprietors to leave the city and not return under severe penalty. All frequenters of such places will be treated in a similar manner, unless they give satisfactory evidence of their future good behavior.

Harpers' New Monthly Magazine for April, sold by W. Scott Glavin, is a very attractive number. The article entitled "A Journey to the Source of the Nile" is alone worth the price of the work, while the history of the "War with the Creek Indians," in these war times, will well repay perusal.

FIRE TOBACCO.—A hoghead of Hart county tobacco was sold yesterday by F. S. J. Donald at the Ninth-street Warehouse for \$71 per hundred pounds. The undersigned manufacturers and dealers, the Messrs. Spaulding, were the purchasers.

There is a city ordinance that limits the length of signs extending out over the sidewalks. This ordinance is numerously violated. Whose business is it?

W. H. Birch has our thanks for Cincinnati papers.

THE MEETING OF THE COUNCIL LAST NIGHT.

The Election of Police-men, City Engineer and Assistant City Attorney for the ensuing year.

THE PROCEEDINGS IN FULL.

Upon entering the Council Chamber last night, our attention was attracted by the large number of persons in the room and the unusual stir and commotion. The members of the Council were anxiously sought for, the desks of all were crowded with cards of the different applicants, and everything indicated that something unusual was going on, or about to take place. A second glance showed to us plainly the fact that it was the night for the election of police-men. The different candidates and their friends were busily engaged in electioneering, each urging his claims and soliciting the votes of the different members of the Council. Old policemen, members of the force the past year, and new aspirants, all mingled together, stirring every nerve to secure the successful party. The Council was called to order and all the candidates were required to take their places outside of the bar, where, with anxious faces, they awaited the result of the election.

A message was received from the Mayor, calling the attention of the Council to the wreathed condition of Second, Third and Fourth streets, between Main and the river, and recommending the regrading of the same and paving them with boulders. The message was referred to the Street Committee of the Eastern and Western Districts. The report of James B. Gregory, City Tax Collector, was received, showing that he had paid up in full. A resolution was passed in the lower board, appointing judges, clerks and sheriffs to conduct elections during the ensuing year. The resignation of R. J. Elliott was accepted.

There being no further business before the lower board, they took a recess for fifteen minutes, during which interval the candidates again battled them urging their claims. In the upper board no business of importance was transacted.

JOINT SESSION.

In accordance with a resolution passed at the last meeting, the Council met in joint session for the election of police-men. The election of day watchmen, one from each ward, was called, at which time Mr. Twyman, from the Eleventh ward, sprung the question whether a man was eligible to serve for watchman if he was not a voter in the ward in which he offered to run. It was decided that they would elect as before, ignoring that question. Before going into the election of police, the election for

CITY ENGINEER.

was called. There was but one candidate, George W. Steele, the present incumbent, who received 23 votes. He was declared duly elected for two years. The next thing called was the election for

ASSISTANT CITY ATTORNEY.

The following persons were put in nomination for the different wards:

FIRST WARD.

The only person put in nomination was H. S. Ryan, who was elected.

SECOND WARD.

A. J. Weatherford, J. W. Foreman, W. M. Weatherford having received a majority of the votes cast were declared elected.

THIRD WARD.

Alexander Gillmore was the only candidate in this ward, and he was duly elected.

FOURTH WARD.

The only nomination in this ward was Jas. C. Shanks, who was declared elected on the first ballot.

FIFTH WARD.
